The Destiny of Britain			
The Destiny of Britain reveals how the Biblical vision of 'The Restoration of Israel' was an integral part of the great missionary work of the 18th and 19th centuries that accompanied the expansion of the British Empire across the world. Just as Cyrus was the divinely appointed facilitator of the return of the Jewish people to Jerusalem after the first exile, so the British Empire was entrusted within the last century with the task of facilitating the restoration of His ancient covenant people to the Land He had promised to them as an everlasting inheritance. (Latest production from the makers of 'Jerusalem' and 'The Forsaken Promise').

From Exile to Restoration		
<p>The role of the British Empire in the restoration of Israel. From Exile to Restoration tells the same story as its sister film The Destiny of Britain but with a greater emphasis on the history and geopolitics that led to the Balfour Declaration of 1917. "The First World War, beginning with the Gallipoli campaign and political concern for the future of the Ottoman Empire, presented an opportunity for the restoration of Israel. On 31st October 1917, the same day as the British-ANZAC victory at Beersheba – including the charge of the Australian Light Horse – came the British War Cabinet's decision to favour the establishment of a Jewish National home in Palestine. General Allenby's subsequent entrance into Jerusalem was the fulfilment of some three hundred years of geo-political activity and British Christian vision." This documentary is suitable for a more general audience</p>

Israel: be still and know that I am God		Lance Lambert	
An inspiring message to Israel and to us. God is our refuge and strength. A help in the time of trouble – at the point of our need. How often the Lord leaves us until we are at our wits end, having nothing to take a hold of – but the Lord. He then only has to utter His voice and the whole thing disappears. It is a wonderful thing to have confidence in the absolute sovereignty of God. DVD re-mastered from the original videotape.
